Our Roots and Mission

The Animal Shelter of Schoharie Valley, Inc. was founded by a group of residents of Schoharie County who were disturbed by the plight of the many starved, abused, and stray animals in this area.

ASSV is a 501c3 not-for-profit organization. It is comprised of all volunteers including the Board of Directors. The only exceptions include the Shelter Manager and kennel associates.

The goal of ASSV is to alleviate stray animal suffering and to maintain a shelter to house, feed, and care for these animals until safe and loving homes are found for them.

ASSV also strives to educate the public to spay or neuter their pets to eliminate the problem of unwanted offspring.
